

## UKSPF Shop Front Improvement Grant Scheme

### Guidance Notes

#### Background

1.1. The Shop Front Improvement Grant Scheme is intended to assist shop owners, tenants, and landlords to improve the public-facing appearance of their premises in Aldershot Town Centre, Farnborough Town Centre and North Camp.

1.2. This scheme is funded from the UK Shared Prosperity Fund, supporting economic growth and improving wellbeing in Rushmoor's town centres. The scheme will be administered by Rushmoor Borough Council.

1.3. A budget of £14,000 has been allocated to fund a minimum of seven grants of up to £2000. Additional grants may be available if applications of less than £2000 are received.

1.4. The way buildings and their shop fronts look has an impact on the overall character of the town centre. When a shop front is designed to match the style of the building and its surroundings, it can enhance the area's attractiveness, making it more appealing to both shoppers and visitors.

1.5. The Shop Front Improvement Grant Scheme aims to help local businesses maintain and improve their shop fronts in town centre locations, helping to support the growth of local businesses while improving the local environment and the perception of the borough's town centres.

1.6. These guidance notes have been developed to help you understand the aims of the Shop Front Improvement Grant Scheme and how you can make a grant application.
